

## LEADERSHIP LAB

---

### **Creating an Enjoyable Team Culture**

#### Honor

Lift others up, JESUS did this – He gave up His life to lift up others, encouraging words, humility, listen, put others first, say you're sorry

#### Hustle

Hard work and great execution – this builds trust because it shows we can count on each other

#### Honesty

We have conversations with each other when there is offense, dropped assignments, etc.

#### Humor

We are always cracking jokes. Sometimes we laugh so we don't cry.
