Leading Through Change

ABC's of Leading Through Change

Anticipate for the worst

Great leaders they can anticipate what could possibly happen.

Read and study a lot.

Believe for the best

We are hope dealers. Lift people to another level.

We need to believe God to do the supernatural.

The Church needs to be praying!

Communicate frequently

Communication is key to effective leadership.

Leaders set the tone for communication frequency and methods of communication.

Meetings, meetings, meetings!
